Dear Hiring Manager

Inspired by Infosys' legacy of trust, innovation, and continuous learning, I am writing to express my interest in applying for an internship opportunity at Infosys.

I am a B.Tech 1st Semester student with hands-on knowledge of HTML, CSS, and JavaScript, and I am currently strengthening my programming fundamentals in C. I am passionate about software development and eager to build strong technical foundations through real-world exposure and professional mentorship.

I strongly admire Infosys for nurturing talent and creating engineers through learning-driven programs, and I would be honored to begin my software engineering journey in such a growth-oriented environment.

Please find my resume attached for your consideration. I would welcome the opportunity to learn, contribute, and grow as an intern at Infosys.

I would be grateful for any opportunity or guidance.

Warm regards,  
Divya Prakash  
B.Tech (1st Semester)
